# THE GRIZZLY

Presented by the  
Senior Class of  
BLUFF CITY HIGH SCHOOL  
Bluff City, Tennessee

## Editor's Message

Publishing a yearbook is much fun, or at least, that is what we thought when we were selected as the editors of the 1960 GRIZZLY. Now, we can truthfully say that it was much more; it was an experience to be remembered always. The job was a big one which required time, patience, and much cooperation of the entire staff which shared in the responsibility. Planning our project and working on individual and group assignments, we had many worth-while experiences.

Years from now, maybe not too many, you may feel like reminiscing or reliving, through the medium of memories, your colorful and exciting high school life. As you turn through the pages of your annual you smile as you remember a friend, laugh at an amusing episode, or maybe a tear will fall as you relive a sad or a joyous occasion. If so, then our purpose, as the 1960 GRIZZLY Staff, for publishing this yearbook has been rewarding.

# Faculty and Administration

Our principal, Mr. Kenneth Carrier, is an understanding friend and counselor to all. Since his arrival at Bluff City High School, he has helped many students in deciding their future plans.

The office secretary, Mrs. Evelyn Henson, assists the principal and helps keep all the school records in order.

MR. COX  
High School  
Supervisor

MR. J. CRAFT AKARD  
Superintendent

MR. PAUL BOY  
Board Member

Our lunchroom personnel, Mrs. Fleenor, Mrs. Jones, and Mrs. McKamey know that the way to a teen-ager's heart is through his stomach.

The faculty members of our English and Social Science departments discuss their methods of teaching. They are, MRS. JOANNE HODGE, English; MR. HARLAN CHURCH, English; MRS. HELEN THOMAS, American History and Physical Education; MR. W. E. WARD, Social Studies, Mathematics, and Bookkeeping; and MR. ROBERT BRUMIT, English.

These three people are important at Bluff City High because of the practical skills which they teach. They are, MRS. MONA RUTHERFORD, Home Economics; MR. W. A. MEREDITH, Agriculture; and MRS. JANE CRUSSELL, English, and Home Economics.

Pausing while discussing a Science and Mathematics Program are, MRS. SIBYL MILHORN, Mathematics; MR. LESTER CARRIER, Biology and Geography; MR. PARKS SIMERLY, Science and Chemistry; and MR. CLAUDE O'DELL, Physics and Mathematics.

Discussing plans for extra-curricular activities during this school year are, MISS CHARLOTTE DALTON, Typing, and Shorthand; MR. EUGENE JORDAN, Glee Club; MRS. ANN GRIFFITH, Health, Physical Education, and Science; MR. CHARLES FLEMING, Physical Education and Health; and MRS. RUTH STONE, Library.

Future honor students?

That most important day came, Class Rings!

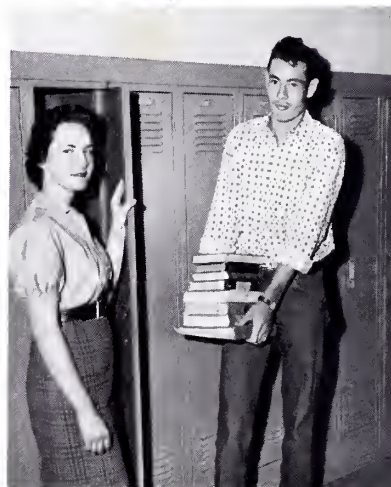

## Seniors Take Time for This and That

The last minute preparation of an English term paper keeps Joe Earhart busy until the wee hours of the morning.

Brenda, get busy, the rest can't do all the work.

Getting a boy to carry all those books is quite an accomplishment. How does she do it?
